## Defiant R20 Sidewinder Roller Blind

By Yewdale

### Detailed description

Defiant R20 Sidewinder Roller Blind incorporating Slipstream® Technology is a fabric roller blind with a barrel size dependent on blind size and fabric weight. The blind comes complete with aluminium barrel, white Tear Drop (19mm x 24mm) aluminium bottom bar and universal metal brackets for face, top or side fixing.

#### Slipstream® Technology:

A friction reducing technology that, through a simple combination of smooth action operation, air cooled design and double spring function.

System comes with Yewdale backed lifetime warranty, limited to hardware if alternative supplier fabrics used
