Defiant VL30 Premium Profiled Vertical Blind

By Yewdale / Solo Blinds

Detailed description

A vertical louvre blind with 40 x 25 mm premium profiled white aluminium headrail with top-fix brackets and slim wheeled carrier trucks for the ultimate in slim stacking to ensure optimum light when open. The constant transport of the louvres is guaranteed by the precision made aluminium spindle shaft. Bead-chain operation with built in slip clutch for louvre tilt and cord for draw control.
